BEARS

Spring is here, finally! Flowers...Trees...Critters and Creatures will awaken in the upcoming weeks. As the longer and warmer day beckons us to spend more time outdoors, please remember it is likely you will see black bears in Seven Devils with the same thoughts as they search for food. Bears are drawn to human trash while looking for food and often end up making a mess. The Town of Seven Devils Nuisance Ordinance-Article 6 provides details regarding trash receptacles, the requirements of the Ordinance, and possible enforcement actions. The Ordinances can be found on our Town website:

www.sevendevils.net/ordinances-and-zoning-map

The Town of Seven Devils is now a BearWise Community

With the influx of seasonal visitors enjoying the vacation rentals, we are providing door hangers for display with tips and resources to living and sharing the habitat with bears. Since bears can't read, we encourage you to be knowledgeable. Extra door hangers are available at Town Hall.

Let's start the Spring and Summer seasons in Seven Devils the safe way!
