For your information:

*All residents in Town agree to pay a minimum of \$40 a month for water service. If you have a private well, \$15 is billed each month. **ALL WATER BILLS** are due in this office by the **last business day** of the month. There will be a **\$5 late fee** assessed if the bill is not paid in full by that date.

*If your bill is not paid in full within 45 days from the billing date, your water will be turned off and locked until **FULL PAYMENT** is received. If this occurs, a \$100 reconnect fee will be charged to your account.

*You may pay your water bill by check, cash, or on our Town website www.sevendevils.net. You may also set up automatic draft if you prefer, via a checking account. All drafts occur on the last business day of the month due. If you wish to use this option, please request a Draft Information Form.

*All residents are encouraged to turn their water off or have the Town turn it off if they are leaving to avoid high water use bills due to possible leaks. To do this, call Town Hall to initiate a work order. We do require a **48-hour notice**; without a 48-hour notice, there will be a \$25 charge per occurrence. All residents are allowed four free turn-ons and offs per year with appropriate notice.

Water usage is billed as follows:

4,000 gallons= \$40

1st 6,000 gallons= \$.01/gallon

6,001 gallons or more= \$.02/gallon
