Barbara Pariseau resigned in February as Seven Devils Emergency Shelter Coordinator. She introduced SD resident Tina Bailey as a candidate for the position - she is willing, able and enthusiastic to serve the Town - let's grab her!!! All Committee members agreed. Barbara will help Tina get started and show her the ropes. In addition, Jack Byrnes would like to participate and become a member. They both will be true assets, not to mention "fresh blood". All members agreed and welcome their energy and talents. An acceptance letter will be forwarded to Town Council for their approval.

Renewed concern was voiced by Earl Pariseau and Dick Nelson about road safety during foggy conditions. There was much discussion - reflectors, lines, etc. The suggestion was to go before the Public Works Committee and address the Town engineer. David Hooper moved to address this concern at the Public Works Committee with David Poore present. Earl Pariseau seconded. All agreed. The next Public Works Committee meeting will be Tuesday March 15, 2016 at 10:00am.

There are numerous street lights out in Seven Devils. George Ehlinger will work with the police to note problem lights and Town Hall will see that BREMCO is notified for repair.

Frustration and confusion was voiced concerning the "roll over phone system" in Town. A clarification and note will be forthcoming at Town Hall.

Fire Chief Bobby Powell is planning the Annual Firemen Appreciation Dinner to be held, most likely in April. David Hooper moved that Public Safety Committee back one-third the cost of the dinner (the Town and Fire Department make up the rest). Dick Nelson seconded. All members agreed.

Earl Pariseau moved to adjourn the meeting. David Hooper seconded. All agreed.

The meeting was adjourned at 6:30pm.

The next regularly scheduled meeting is April 5, 2016 at 5:30pm.
