Old Business

2019 SafetyFest Wrap-Up

- * Approximately \$15,000 raised - have yet to receive funds from two sponsors, a few placemat ads and a silent auction bid
- * Wish Lists from Fire, Police, Public Works Departments and Town Hall safety needs should be submitted to George Ehlinger and Brad Lambert for their review and ensuing grants made.
- * \$100 donation made to Blowing Rock Fire Department (bounce house use) and Avery Ladder Truck Company.
- * It was moved, seconded and voted not to have a Volunteer Appreciation Lunch next year. Few attended, and even fewer RSVPed so time for set-up and money for food can be put to better use.
- * Thank yous and certificates have gone out.

New Business

- * 2020 Seven Devils SafetyFest - Saturday June 27, 2020
- * George Ehlinger, Chairman, has requested for tree limbs and shrubbery to be cut back along the roads before winter weather for better visibility and safer passage.
- * Seven Devils Public Safety Committee will not meet until March 3, 2020 unless a special meeting is called by George Ehlinger, Chairman. Communication among Committee members may also be via telephone or email.
- * Great job everyone - see you in 2020!
